September 09-14, 2019
 Zamboanga City, Philippines

2019 TRAINING WRITE-WORKSHOP

RATIONAL:

The training write—shop recognizes the need to further enhance the research culture among educators and education professionals and is intended to intensely focus on the research proposal as the roadmap for individual research. It will highlight the connections between intended research trajectories, approaches and designs, likewise the integral components of a research proposal with the aim of producing competently-conceptualized proposals for a short-term research project.

TRAINING OBJECTIVES:

1. To facilitate knowledge exchange on the field of research,
2. To provide interactive space for resource persons, researchers and research mentors for research conceptualization and proposal development,
3. To train on how to write research proposal.

TRAINING METHODOLOGY:

Training write-shop is a six to six day training activity. This will include:

- Lectures
- Open forum
- Write-shop
- Presentation and critiquing of research proposal draft

TRAINING TOPICS

- Topic 1. Conceptualizing across Disciplines based Research (natures, approaches and designs)
 Topic 2. Research Proposal Development
